

The Ernie Davis statue has been moved to Hoffman St. directly in front of Ernie Davis Academy. It is surrounded by plantings, three benches and a walkway to the school.

Our Committee is planning to:

- 1) Procure two pedestals at the intersection of the walkway and the plaza. They will include Ernie's accomplishments in Elmira and Syracuse.
- 2) Put eight character blocks in the plantings area of the plaza with some of Ernie's characteristics inscribed on them.

We have received substantial contributions and these two items are paid for and on order.

Finally, we plan to put inscribed pavers along each side of the walkway from the plaza to the school. We have about 40 paid for and we would like to sell 100+ more.

The cost of each paver is \$150. These funds will pay for the pavers and also for perpetual maintenance of the site for all to enjoy forever.

If you would like to participate in this paver program please fill out the enclosed order form, enclose a check for \$150 payable to "The Community Foundation" and mail it to Jack Moore.

Thanks for your support.
